Marco's steel wire cable tray range is further enhanced by the continued growth in innovative products and supportive accessories.

Marco has invested heavily in new state of the art equipment to help cement its position as the largest UK manufacturer of Steel Wire cable Tray.

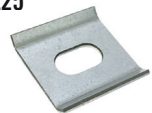

La gama de soportes de acero para cables Marco se amplía continuamente con la incorporación de nuevos productos y accesorios. No en vano, Marco ha realizado una gran inversión en equipos novedosos y vanguardistas que no hacen sino consolidar su posición como mayor fabricante de soportes de acero para cables del Reino Unido.

La gamma di canaline portacavi in filo di acciaio Marco è inoltre sempre più ampia grazie alla continua aggiunta di prodotti innovativi e accessori di supporto. Marco ha investito moltissimo in nuove e modernissime attrezzature, per consolidare la propria posizione di principale produttore di canaline portacavi in filo di acciaio del Regno Unito.

A gama de suportes para cabos de aço da Marco é ainda otimizada pelo aumento contínuo de produtos inovadores e acessórios de apoio. A Marco investiu bastante em equipamento de vanguarda que ajudará a consolidar a sua posição como maior fabricante de suportes para cabos de aço do Reino Unido.
